INTRODUCTION

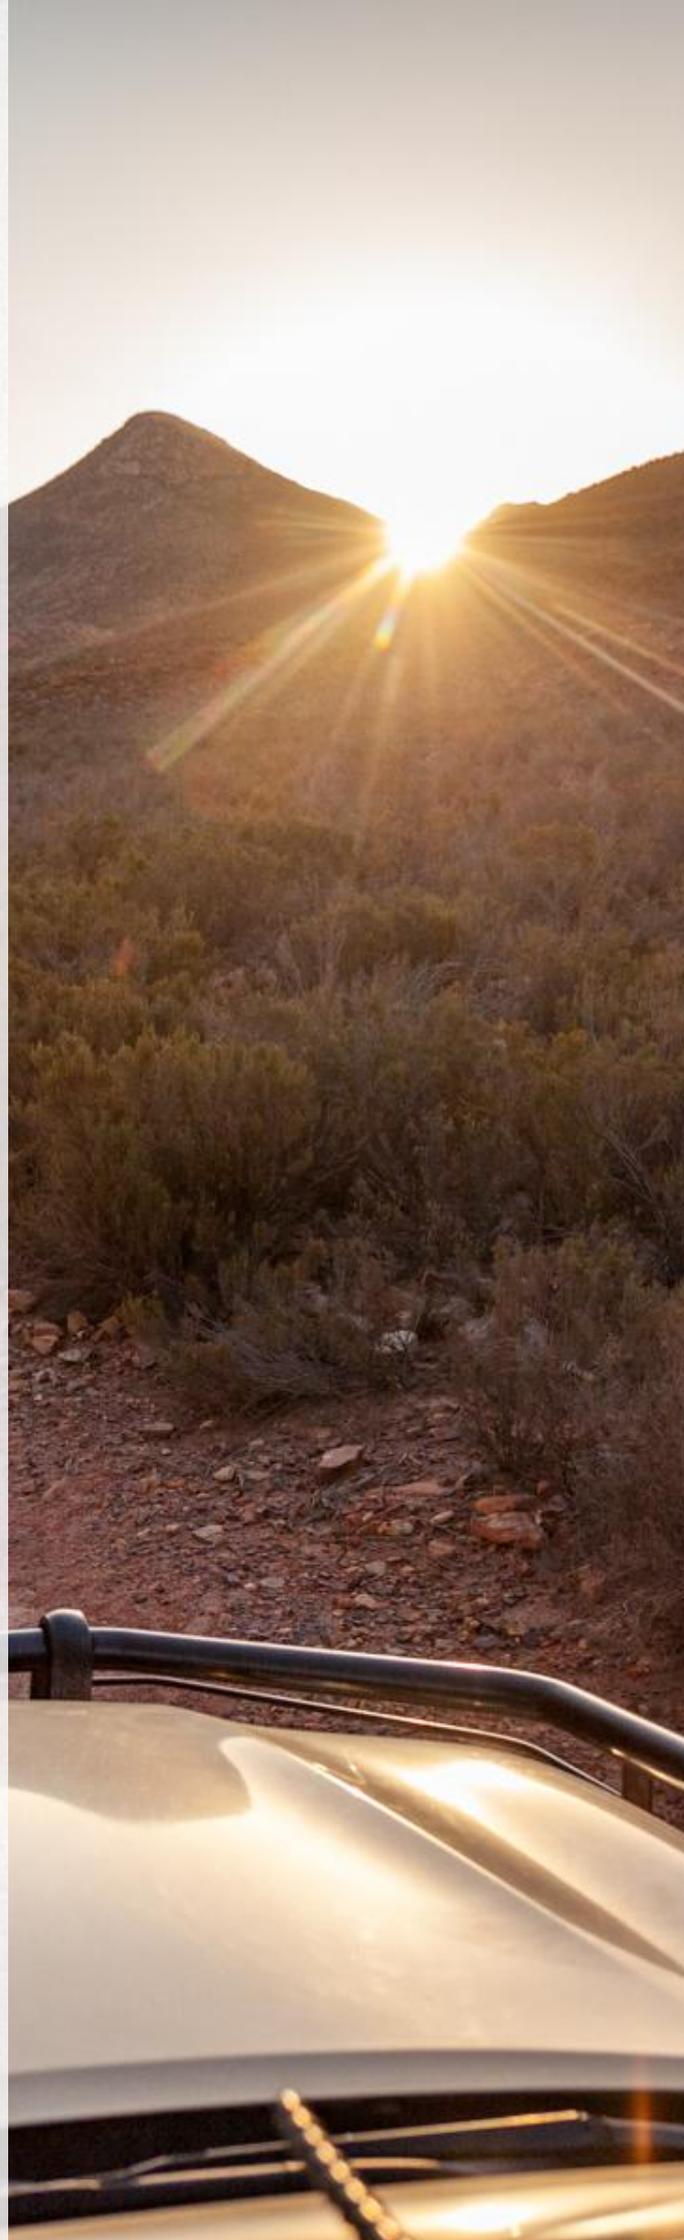

The Aquila Collection is a portfolio of Big 5 safari lodges in the Western Cape of South Africa – all situated just outside of Cape Town.

The safari collection offers three completely different properties in the semi-desert Karoo region and provides guests the opportunity to witness wildlife conservation efforts in real life – together with outstanding services and facilities.

The 4-star Aquila Private Game Reserve and Spa offers award-winning day trip and overnight safari options in the mountain landscapes of the Southern Karoo - which can include Big 5 game drives, horseback safaris or an adrenaline rush quad bike wildlife experience. This property is ideal for group, incentive and family travel.

Inverdoorn Private Game Reserve offers a combination of 4 and 5 star accommodation with safaris in the breath-taking scenery of the Tankwa Karoo with golden mountains as backdrop and thick Acacia Karoo wooded river beds. This property offers overnight safari experiences only.

The exclusive **Kuganha Tented Camp and Spa** is a luxurious 5-star nature experience with magnificently appointed tents, outstanding private and personalised services and majestic Big 5 safaris.

It is the perfect late afternoon itinerary filler when guests to Cape Town do not have an overnight or full / half day safari time in their schedule.

ECO-SYNERGY TOUR

This is a complimentary tour that departs daily at 14h00 from reception.

Our award-winning and exciting Eco-Synergy Systems tour, focuses on sustainable tourism. Here guests will learn more about how we recycle using Aquaponics, Hydroponics, and organic gardening.

STAR SAFARI

Each evening (weather conditions permitting) after dinner, guests are invited to join our skilled ranger at the Boma for marshmallow roasting and to view the stellar sights of the Karoo skies.

This a complimentary add-on experience for overnight guests.

HORSEBACK ADVENTURE

The horseback adventure is a fantastic option to experience the natural wonders of Africa in the Karoo veld and take a ride on the wild side.

The activity is sold as a stand alone day trip, a combo day trip (in conjunction with a standard Big 5 safari) or as an add-on to overnight stays.

2-night stay guests also have the option to swap one standard safari for a horseback adventure.

QUAD BIKE EXPERIENCE

The quad bike experience is a firm favourite and involves roughing it up within the 10,000 hectare wildlife conservancy of Aquila.

Guests are guided by safari guides and get to enjoy wildlife from a thrilling point of view.

The experience is sold as a stand alone day trip, a combo day trip (in conjunction with a standard Big 5 safari) or as an add-on to overnight stays.

The amazing kids play area is fun for the whole family!
